

US Army Corps of Engineers Project seismic replacement

When: Wednesday, 18 September 2024, from 10:00 AM to 11:00 AM PST

Where: Virtual

Seismic replacement build at Department of Veteran's Affairs (DVA) American Lake Ph2B Specialty Care Building 201.

Building 201 will function as 'seismic replacement' for, and accommodate services currently provided in, building 81/81AC. Building 81/81AC. Originally developed as a single construction document set, the project was broken out into Phase 2A Site Development and Phase 2B Building 201 in February 2021.

Phase 2b (Bldg. 201) This building is intended to provide a new facility for: Cardiology Service, Gastrointestinal / Endoscopy Service, Pathology and Laboratory Medicine Service, Pharmacy Service, Pulmonary Medicine Service (Infusion Services), Surgical, Endovascular Service and support spaces.

The webinar will take approximately one-hour where the Government will present information and invite industry to share observations and concerns.

This class is FREE but you must register to attend
