

Inflation Reduction Act (IRA) Industry Day

October 1, 2024

Region 10 Virtual Industry Day: Low Embodied Carbon (LEC) Projects

Please join the U.S. General Services Administration (GSA), Public Buildings Service (PBS), Arctic Region (Region 10) for a Virtual Inflation Reduction Act (IRA) Industry Day as it relates to Region 10's Low Embodied Carbon (LEC) Projects.

This invitation is open to Region 10's IDV Contract holders as well as all small and large business concerns interested in learning more about GSA's recent \$2.15B nationwide appropriation for LEC materials for asphalt, concrete, glass, and steel projects in the PBS Region 10 geography.

When: Tuesday, October 1, 2024, 10:00AM - 12:00PM Pacific Time (Webinar)

Where: Virtual Webinar

How: Zoom Meeting

At this Virtual IRA Industry Day, you will be able to:

- Learn about GSA's Inflation Reduction Act (IRA) program including:
 - Overview of GSA's IRA programs
 - Low embodied carbon construction material requirements
 - Environmental product declarations (EPDs)
 - Embodied carbon considerations in the procurement process
 - PBS Region 10's projected LEC projects
 - Next Steps/Resources
- Share your business's pre-populated comments and questions on the IRA topics listed above.
 - PBS welcomes feedback, specifically regarding GSA's IRA LEC Material Requirements, see [IRA website](#), market conditions, and industry trends.

Please take note: To participate in the virtual IRA Industry Day, all interested attendees are required to register by September 24, 2024 at 12:00 P.M. PST by filling out the following link:
